**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The petition before you regarding forbearance from Section 251(c) (3) will affect us and our neighborhoods directly in terms of the future poor service and increasing costs we will endure if you grant the petition.

I am also aware of many small businesses and NGO's in town that will be severely affected by such an action.

If you do this we and our neighbors will have to give up Internet Service altogether.
